IV. WRITING (10 points)

Well, I really enjoyed my summer holidays. But, there was the most unusual day that I have never experienced in my life. I want to share this story with other people. So, it happened in the city called Surgut. I and my friends were walked in the park called Saima. One of my friends, Stepa, told us that he wants to go to the forest with us. We thought that it will be really fun and agreed with the idea. Two days later, I and my friends came to the forest. We entered it in the forest. We went in there. We played some games, like hide and seek. After a long time, we were tired and hungry, but we forgot the way out from this dark forest. We were really scared. Luckily, we saw the man. He was collecting mushrooms. He told us to follow him, if we want to get out of this forest. Finally, I and friends escaped were outside of this forest. I understood that you should know the way out of the forest and you should go to the forest with your parents' parents.
