IV. WRITING (10 points)

In this summer holidays I was abroad at the first time. The country where I was is Thailand, and on Phuket island. I was there for ten days with my parents - my mother and my father. There we ate lobsters, which were so tasty and so expensive. We were at the hotel, where me and my parents were living and swimming at the swimming pool. We saw a lot of sights and some beautiful shopping malls, where my dad bought cute accessories for my mother and me. In Thailand I celebrated my birthday, seeing a big carnival at in real life. In Thailand people are kind and food is great. I was so happy to be here. The lesson I get is to be happy no matter what.

You should ~~to~~ visit the city, which names "Volgograd" to see the monument, that called "Motherland".
It's a statue about one hundred meters in height.
It like a woman in the dress, which holds iron sword in her hand and document in the second. It reminds me the statue of freedom in the New York city. Also, the statue "Motherland" reminds the mother of the soldiers.
It calls you to go to protect your home, your family and your friends. I think that it's statue is very great.
I think every foreign tourist must see this great monument. It's the best creature in Russia that devoted to World War II.
